* It's a fact - accidents happen to all of us. We have all been there and we have felt that same frustration. Our ADP program has been created to help protect you against accidental damage such as liquid spills, electrical surges, and drops. It is yet another way to 100% satisfaction from an ASUS product. When an accident happens, call our technical support at 888-678-3688 to report the cause and extent of damage of your system. ASUS will work hard to repair your notebook as quickly as possible FREE of charge.
